Driver's Briefing for the 15th Regis TAP

Welcome to our annual Regis TAP organised by the experienced team at Bognor Regis Motor Club. Thank you for supporting our fundraising for Kent, Surrey & Sussex Air Ambulance. We will also be making a donation to Sussex Wildlife Trust to support their "Help The Kelp" campaign – replanting Kelp off the Sussex Coast. Kelp is a great source of carbon capture.

Make sure your vehicle is in good roadworthy condition, also ensure your lights and indicators are working. Drive within the speed limits. Please be aware that the rural roads in the area are generally in a poor condition with potholes and damage to tarmac, especially crumbling edges. Some of the roads we are using are narrow with passing places, so please be courteous and considerate to other road users, horses, cyclists, ramblers and dog walkers. As the tour takes place on a Sunday there are likely to be lots of Motorcyclists about, so take care. Roads may well be slippery and muddy if wet. If you decide to pull over to enjoy the views, please ensure it is safe to do so.

If you are at the front of a convoy of cars, please pull over at the first opportunity to allow them to pass you safely. There is no rush, but some drivers enjoy a different pace to others. If you decide to overtake ensure you are in a safe place to do so. PLEASE DO NOT BAULK OTHERS!

Please follow the Marshals' instructions at all venues when parking. You have a route card in your pack for your personal use. At all venues keep to 10 mph, to safeguard pedestrians and animals.

A Damage Declaration Card (included in your pack) must be completed and handed in at the finish. One completed form is required per car. This is a Motorsport UK requirement so please complete this before you leave.

IMPORTANT: If you do decide to go home early, please let our Course Closing Car Ness Linley & Jill Collings 07449 623528 know, so they are not driving around the lanes looking for you! Please also return the signed damage declaration (whether you've had an accident or not) in the next post to Jill Collings (her address and email is on the bottom the Damage Declaration Card). Or you can scan and email it to her at jcollings12@yahoo.co.uk

We wish you a safe and enjoyable day.
