The 14th Regis "TAP"

Sunday 1st September 2024

Regulations

Important note:

Public opinion of our hobby and sport is under more scrutiny than ever, especially regarding environmental issues. Therefore, it is important to have a positive approach to mitigating our emissions to ensure a secure future for our chosen hobby and Motorsport in general. As in previous years, there will be a donation per car included in the Entry fee to put towards carbon capture projects. This money will be donated to Sussex Wildlife Trust towards their "Help our Kelp" fund to restore the Kelp forests off the Sussex Coast – great for carbon capture.
